

Welcome to the first issue of The Harvest Times Monthly Newsletter. The newsletter is intended to provide readers with useful, actionable resources they can use in the planning of their financial future, and also provides our network with the latest updates concerning The Harvest Group.

We trust that our Monthly Newsletter will provide thoughtful content to you and your family. If you know of anyone else who might benefit from information in this newsletter, please [let us know](#) and we will add them to our mailing list.

From our family to yours,

The Harvest Group

## The Harvest Group Launches Industry-Leading Wealth Services

On August 28, 2017, The Harvest Group announced the launch of its Harvest Wealth Management for Life™, a comprehensive wealth management solution designed to help individuals, families and family businesses manage and grow their wealth. Harvest Wealth Management for Life™ is the culmination of several decades of experience in the financial industry by a multigenerational family team of CERTIFIED FINANCIAL PLANNERS™. You can learn more about this exciting new service on the newly designed Harvest Group website, <https://www.myharvestgroup.com/>.

## Social Security Break-Even Calculator

What is the best age to start receiving Social Security benefits? The Break-Even Calculator will help answer that question by comparing the cumulative Social Security retirement benefits paid beginning at various ages. In doing so, it estimates how long it takes for the benefits at a later age to equal or “break-even” with the benefits begun at an earlier age.

## The Forgotten Key to Successful Wealth Management

Wealth management is not a one-time event, but an ongoing process that requires due diligence and planning across both financial and non-financial aspects of one’s life. The Harvest Group's Roger Ingwersen explains the forgotten key to successful wealth management in this Money Inc. article.
